

Minutes Finance Meeting via Text

04/26/2020 @7:30 PM

The Finance Committee met via text messages due to the Covid-19 shut-down to review salaries for the upcoming Fiscal year 2020-2021.

After much discussion, the salary for Jeff Kessinger will remain the same until FY 2022-2023 as per the agreement to raise that salary to its current level for a period of three years starting FY 2019-2020.

As per the hiring agreement, the Summer help will raise to \$12/hour from \$11/hour.

The Billing Clerk will raise to \$12/hour.

The Police salaries will remain at \$20/hour.

The Treasurer, Clerk, President and Trustees will remain the same as well.

Board members were/are encouraged to seek prices of projects and/or equipment that are needed for the village. These will be used to set up our appropriations for FY 2020-2021 for approval at the June Meeting.

(Some did not respond during this text session, so to that end, these minutes will serve as your record of the Text Meeting.)

Respectfully,

Dean Kernan

President
